

3M™ Advanced Floor Care System

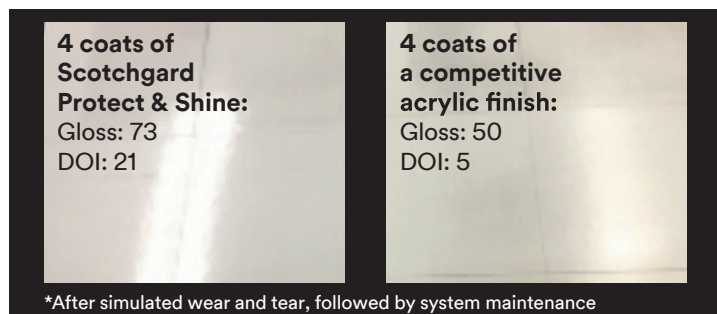

Scotchgard™ Protect & Shine Floor Protector

Typical finishes, including acrylics, require routine burnishing to maintain desired gloss. Scotchgard™ Protect & Shine Floor Protector maintains your high-gloss floor without the labor and expense of other floor finishes.

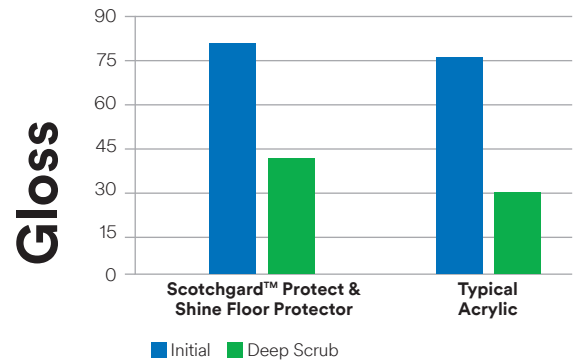

- Reduces maintenance, requires less chemical stripping than acrylic floor finishes, and may require less or no burnishing.
- Resistant to hand sanitizers that are in wide use with the increased focus on health and safety.
- Better abrasion and soil resistance.
- For use on resilient flooring surfaces such as vinyl, vinyl composition tile (VCT), luxury vinyl tile (LVT), vinyl sheet, linoleum and rubber.

3M™ Clean & Shine Daily Floor Enhancer

As facility-management priorities shift, so will the attention to allocation of labor and product cost. 3M™ Clean & Shine Daily Floor Enhancer is a two-in-one product that may help to reduce your labor and chemical usage while meeting the standards you need for daily floor cleaning — and improving your floors' qualities over time.

- Enhances the gloss of floors — and maintains those that already have a high gloss — as part of your daily cleaning routine, reducing the need for burnishing.
- Reduces the frequency of major floor care projects, like top scrubbing and stripping, that disrupt your facility.
- Has superior cleaning ability when compared to other neutral cleaners and restorers.
- Won't haze or damage floor finish when used daily as directed.
- Ideal for health care facilities, schools, and large, high-traffic buildings like stadiums, large, high-traffic buildings like stadiums, airports and event centers.
